\*Each school can enter two teams (**except for a single team in pentathlon and robotics**) in the session I/II events. However, there will be only two teams (or schools) per event from the county that will compete in the regional jamboree.

\*\*Winners of these events at the specified level (county) cannot compete in the regional jamboree.

\*\*\* There can only be **single entries for oratorical and PowerPoint presentations** from each school. The first place winners can compete in the regional jamboree.
