February 10, 2019

Greetings:

The 2018 NAACP Mother of the Year committee is requesting your support for the oldest civil rights organization in the history of our people as we continue to move forward. If you are familiar with the current issues that exist in our communities, throughout North Carolina, and in the nation you will understand how important it is that we continue to struggle for peace and justice.

The 2019 Mother of the Year fundraiser have begun. This fundraising project supports local, state, and national budgets as we continue to struggle for justice because all lives matter. A copy of the NC State history of the Mother of the Year contest is enclosed with this letter for your review.

Each year we ask that you select an individual from your congregation and support this person in their effort to raise funds. All proceeds raised will be counted towards the individual in this county who raises the most money. The local winner for our county will represent the NAACP at the state level at a coronation usually held in May. We ask that you please consider sending a monetary donation as soon as possible if your church do not desire to elect a representative.

Thank you for your many years of support to the NAACP. We also thank you for taking the time to read this letter and we look forward to hearing from you.

Forward Together, Not One Step Back!
